Te Motu visits to Kapiti Gymnastics Club

Tuesday 1, 8 and 15 May

Kia ora Parents/Caregivers of Te Motu students,

As part of our Physical Education programme next term we would like the children to participate in gymnastic sessions at Kapiti Gymnastics Club. The club has a wide range of apparatus and students will have the opportunity to practise and extend their skills.

We would appreciate a contribution of **\$7.00** per student to cover the costs. This allows for 3 x 45 minute sessions with trained gymnastics coaches supplied by the club.

The children will walk to the venue at Mazengarb Park and to accommodate all classes we have staggered the times that each class will attend. Timings for each class are detailed below. We will walk to the gymnasium if it is raining so students will need to come prepared (umbrellas and raincoats would be advised)

Room 8 will leave school at 9:00am and will return to school at 10:45pm.
Room 14 will leave school at 9:45am and will return to school at 11.30am.
Room 16 will leave school at 10.30am and will return to school at 12.15pm.
Room 17 will leave school at 11:15am and will return to school at 1:00pm.
Room 13 will leave school at 12:30pm and will return to school at 2:15pm.
Room 15 will leave school at 1:15pm and will return to school at 3:00pm.

Students will require a water bottle and comfortable clothing such as trackpants or leggings. Clothing with buckles, belts or zips are not permitted as they can damage the apparatus.

Permission and payment can be made through Kindo, or alternatively cash or cheque and paper permission slip to the office/moneybox. Thank you.

Na mihi nui
Cath, Alice, Larisa, Gill, John and Colin
