our year 7/8 school camp!"*

KIWI WRAPS

Eco Friendly Food Wrap

KIWI WRAPS are a fun, reusable, eco-friendly alternative to plastic food wrap.

Wrap snacks and sandwiches, cover bowls, platters and more!

Handmade in New Zealand with 100% cotton, beeswax, jojoba oil and natural tree resin.

Wrap your goodies up and use the warmth of your hands to mould and seal your wrap into place.

Wipe down with a damp cloth or wash in cold water with a drop of eco-friendly detergent. Allow to air dry.

Avoid heat, warm water and raw meat.

If cared for properly your wraps could last up to 2 years!

When you're finished with them, pop them in the compost bin to biodegrade.
